

Welcome to Week 3.

3/30/2020

Good Morning A2 Students & Parents!

I don't know about you, but it is very odd to not be in school and I do miss interacting with you all 4 times a week. I hope you have been able to establish some sort of routine to help motivate you through the days. It is a little thing, but it does help the time pass by. The rain this past week has posed more of a challenge to my life at home. Outdoor time for the kids has turned into activities in the garage with the door up. We do the best we can! 😊

This week we review Chapter 11: Statistics.

[Topic 11: MathXL for School: Topic Review Copy 1](#) (online software)
